Urdd Gobaith Cymru  
Annual Review  
2005 / 2006

[urdd.org](http://urdd.org)

## A message from our President - Gavin Ashcroft

Words cannot express my pride at being elected as President of the Urdd 2005-2006. I never thought the little boy from Rhydyfelin would one day be the President of this organisation!

This year has been an eye opener for me. As a keen eisteddfodwr over the years, it is easy to forgive someone for not seeing beyond the maes and the pavilion. Indeed, I was amazed during the year by all the outstanding work that this special organisation carries out, be it humanitarian or patriotic, and for that I have great respect for it. As President, I have many fond memories. Indeed, the Denbighshire Eisteddfod of 2006 and its magnificent location will stay in my mind and heart for ever.

I would like to take this opportunity to publicly thank the Urdd for this opportunity, and I would also like to give thanks on behalf of the children and young people of Wales who benefit daily from the untiring commitment of the organisation and its friends. To the future!

## CHIEF EXECUTIVE'S REPORT

It is a great pleasure to submit this review. In all of our activities, our main aim is to give the children and young people of Wales the opportunity to enjoy life through the medium of Welsh, developing confidence and respect for each other.

It is fantastic to look back at the Urdd's successes over the past twelve months, including holding the eisteddfod in a magnificent location in Denbighshire, developing facilities including a high ropes course at Glan-llyn, increasing the range and quality of the community activities we offer, and continuing our tradition of enabling the Urdd's members to experience humanitarian work overseas, including forging new links with Romania.

Without doubt, one of the highlights of our foreign adventures last year was winning the under-19 seven-a-side rugby tournament in Dubai – quite an achievement for the enthusiastic team, and a sign of our development as providers of sporting opportunities and training. Our advances in the field of sport, and the further development of our arts provision, demonstrate that we are an organisation that makes an important contribution to the cultural life of Wales.

In submitting the review, it is my privilege to thank the Urdd volunteers and staff throughout Wales, who have ensured that the work we do is exciting and can enrich the lives of children and young people who value the Welsh language. Long may it – and the Urdd – continue to thrive.

## CHAIRMAN'S REPORT

It is hard to believe that another year has flown by since submitting the last annual review. It is a sign of old age (so they say) when time seems to pass you by more quickly than before! The Urdd, like all of us, is getting older, but it is certainly not getting old. This report shows that Urdd Gobaith Cymru is as young and fresh as ever, attracting more and more children and young people to the various activities. Certainly, one of the big secrets of the Urdd's success over the years is listening to the members and working with them in order to ensure that what we provide is relevant to their lives. It is good to hear about the new adrannau (junior youth clubs) and aelwydydd (senior youth clubs) and the youth forums that meet in a number of regions, that are not only important with regard to the organisation's activities, but also with regard to the development of members and ensuring future leaders.

Since it is now autumn, it is good to have the opportunity to look back at the successful eisteddfod in Denbighshire, and remember not only the hot weather but also the warmth of the welcome, the excellent arrangements and the amazing standard of the competitions. The sports activities organised throughout Wales attract more competitors than ever, and the residential centres still draw tens of thousands of visitors every year.

Once again this year members carried out humanitarian activities locally and also on the continent, but certainly one of the highlights of the year for me personally was being present at the Senedd as members of Urdd Gobaith Cymru presented the Peace and Goodwill Message on behalf of the youth of Wales, not only to Assembly members but also to the youth of the world.

Urdd Gobaith Cymru as an organisation is very important, not only to the over 50,000 members but to the whole of Wales. It is an organisation that makes a difference and one that should be treasured. It is not growing old – but learning from experience, developing and maturing. May it continue to do so.

## THE EISTEDDFOD AND THE ARTS DEPARTMENT

- \* A unique and successful eisteddfod was held in the Wales Millennium Centre in 2005, which laid solid foundations for returning there in 2009.
- \* This year an excellent eisteddfod was held in Denbighshire, on the fields of Maes Llan Farm, Ysgol Brynhyfryd and Whitegates, with the hills of Clwyd and Moel Famau as a magnificent backdrop.
- \* The competitions were livelier than ever and were staged in a new and improved pavilion. We returned to our roots in every sense, because the first ever Urdd National Eisteddfod was held in Denbighshire seventy seven years ago.
- \* In the evening, from the first note of the secondary schools show, Plas Du, on the Saturday, to the end of the competitions a week later, a feast of performance and competition was provided by the children and young people of Denbighshire and Urdd members throughout Wales.
- \* There was great enthusiasm across the maes, with a host of events, activities and performances adding to the happy atmosphere.
- \* 40,000 Urdd members competed in the Local and County Eisteddfodau, with 15,000 of them reaching the Urdd National Eisteddfod.
- \* 100,000 visitors flocked from all over Wales and beyond to enjoy the myriad attractions of the festival.
- \* The solid foundations of last year were built upon by holding more master classes for the eight competitors for the Bryn Terfel Urdd Gobaith Cymru Scholarship.
- \* We look forward to visiting Carmarthenshire in 2007, to an idyllic maes at the United Counties Showground at Nant y Ci on the outskirts of Carmarthen. A warm welcome and a cultural feast awaits you.

### TO THE URDD GOBAITH CYMRU DIRECTORATE

We have examined the financial summary on this page.

### Appropriate Responsibilities for directors and auditors

You, the directors, are responsible for preparing the financial summary. We have agreed to express to you our opinion on the consistency of the financial summary with the full statutory accounts, which were signed on 6 October 2006.

### The Basis of our Opinion

We have done the work which we consider appropriate to establish whether the financial summary is consistent with the financial statements when these were prepared from them.

### Our Opinion

In our opinion the financial summary is consistent with the full financial statements for the year ending 31 March 2006.

### Patterson Jones & Evans

Registered Auditors, Lampeter.

### DIRECTORS' REPORT

The accounts above are a summary of information abstracted from the full financial statements.

The full financial statements were approved by the Board of Directors on 6 October 2006 and they have been sent to Companies House and the Charities Commission. The accounts were audited by Patterson, Jones & Evans and were given an unconditional report.

It is possible that the financial summary does not provide sufficient information to give a full understanding of the charity's financial affairs. For further information, therefore the full statutory accounts, the Auditors' report on those accounts and the Trustees Annual Report need to be consulted. Copies of these can be obtained from the company.

Signed on Behalf of the Board of Directors

## THE TREASURER'S ANNUAL REPORT 2005/6

This year's accounts reflect a period of increased level of expenditure (from £5.69m to £5.96m). The expenditure now reflects a full year's performance at the Urdd Centre in Cardiff, which partly explains the significant increase in income generated by our three main residential centres, a trend that appears to be continuing in 2006/7.

We have also spent over £0.4m in renewing resources and upgrading assets. We will be paying particular notice in the coming months to ensure that we have sufficient reserves to meet the challenges of maintaining our assets. The pioneering eisteddfod held at the Wales Millennium Centre in 2005 successfully met its staging costs and we are grateful to the City and County of Cardiff Council for their financial assistance in achieving this satisfactory result.

We are indebted to our partners and supporters who have showed their support in increasing their grants and financial support, which has proved invaluable during a period of increased expenditure. As regards normal trading activities, and as forecasted, the Urdd made a loss of just over £0.1m. However the accounts reflect quite a different result, mainly due to three extraordinary factors. We received an honourable sum from the sale of our prior offices at Conway Road, Cardiff (£0.95m), although a share of the proceeds are earmarked toward the cost of our tenancy at the Wales Millennium Centre. Secondly we witnessed an increase in our legacy income (£94K to £0.68m) due to the extraordinary generosity of the late Howel V Lewis, and thirdly the organisation also benefitted from a £0.28m increase in the value of its investments. We are already considering how best to utilise these sums, and a percentage of these sums has already been earmarked to ensure improvements or to lessen our liabilities.

The financial performance of 2005/6 was part of a longer term strategy to increase income and to keep expenditure under control. Although we will witness an increase in activities in the future we are confident that we can meet these commitments whilst continuing to maintain a strong control over the organisation's financial resources. In fact we are forecasting a small surplus in 2006/7, which will be of help to offset the losses of recent years.
