General Rules for Chwaraeon yr Urdd Competitions

1) Order of the day

The majority of competitions will be held during the school day and teams will be asked to register from 09:00 with the first games starting at 10:00. We ask that schools are punctual to ensure that the event runs on time. The officer running the event will share details regarding the finishing times with you prior to the event. Schools must be able to complete all of the games to be able to progress in the tournament and to qualify for the national finals.

2) Group game points

The following points structure will be adopted at each regional competition:

3 points for a win | 1 point for a draw | 0 points for losing a game

If teams are level on points within a group after all group games are finished, the following will determine who progresses:

- 1: Goals Scored (the team with the most goals scored wins)
- 2: Goals Conceded (the team with the least goals conceded wins)
- 3: Head to head results between the drawing teams
- 4: Coin toss between the two coaches

If a team withdraws from the competition before completing every group game, a 'bye' will be given for each game that they have played and are scheduled to play. A standard score will be given to each game recorded as a bye.

In the event of having to calculate the best 2nd place team where groups are uneven, the following will determine who progresses:

1. Number of games lost
2. Number of games drawn
3. Average of the goals scored
4. Average of the goals conceded
5. Toss of a coin

3) Final round results (different rule for cricket)

The winner of a game in the final rounds will progress to the next round, the losing team are out of the tournament.

If scores are level after full time in the final rounds, then the game will go to golden goal/try (except for Netball which will have extra-time before the golden goal). A coin toss before the extra time/golden goal will need to be done to find out who holds possession. In the football competitions, a penalty shoot-out will proceed the golden goal – best of 5 penalties and then knock out penalties if still even. In the rugby and netball, if a winner isn't determined by golden goal within the allotted time, a coin toss will decide the game, this will be done between both coaches.

4) Players

Each competition allows for a maximum of 12 in a squad.

Individuals from Year 4 are able to play in the football, netball and Tag rugby competitions for years 5-6 if an extra player is needed to make a team. The school will need to gain consent from the parent of the child that is in Yr.4 and return a signed letter to allow them to take part. Please contact your local sport officer for a copy of the consent letter.

Year 4 students are not allowed to take part in the open rugby competition for Yrs. 5-6. Students in year 2 are not allowed to take part in any of the competitions for Yrs.3-4.

The Urdd Primary Schools sports competitions offer a female category, mixed and an open category. Participants can compete within the category they identify with most. To see the Urdd sport competitions transgender statement please follow the link:

It's the school's responsibility to make sure that the ratio of teachers/coaches to students is at the required level. We ask that there is at least one teacher/coach per team.

It's the responsibility of the coach/teacher to make sure that their team is next to the pitch on time. We ask that teams are ready by the pitch/court at least 5 mins before their next game so that they can decide who will take the kick off/centre pass.

If teams are late, they are at risk of losing the game that they are scheduled to play.
