

## Cystadlaethau Chwaraeon yr Urdd

### Rheol: Ysgolion sydd wedi'i ffederaleiddio

Er mwyn i ysgol gynradd sydd wedi'i **'ffederaleiddio'** gystadlu yng nghystadlaethau chwaraeon fel un gangen, rhaid profi **tri** o'r pedwar pwynt olynol (nodwch fod pwynt 4 yn angenrheidiol):

1. Un corff llywodraethol
2. Un gyllideb rhyngddynt
3. Gweithredu o dan un pennaeth
4. Bod un o'r safleoedd gyda llai na 100 o ddisgyblion (gan cyfri o ddsbarth Derbyn i flwyddyn 6)

Mae'r rheol wedi cael eu creu i helpu ysgolion bach i faesu timau ac i roi cyfle i fwy o blant cymryd rhan. Rydym yn annog ysgolion i gofrestru tîm fel eu cangen eu hun os yw digon o ddisgyblion ar gael i greu tîm.

Os ydych efo unrhyw gwestiynau o gwbl, plis cysylltwch â ni: [chwaraeon@urdd.org](mailto:chwaraeon@urdd.org).

## Urdd Gobaith Cymru – Sport Competitions

### Rule: Federation Schools

Primary schools that are part of a **'federation'** and based across more than one campus can compete in sport competitions as one Urdd branch only if they can prove that they meet three of the four points (point 4 must be met):

1. One governing body
2. A shared budget
3. Operate under one headmaster
4. One of the locations has less than 100 students, counting from Reception to Year 6

This rule has been introduced to help smaller schools field teams, allowing them to participate and giving more children the opportunity to take part. We urge schools to register teams independently if they have enough students on one site to enter a team.

If you have any questions whatsoever, please get in touch: [chwaraeon@urdd.org](mailto:chwaraeon@urdd.org).
